Punctuality	9/10
Completes work by the day it was due, always turns up to meetings, can be slightly late.	

Work Ethic	8/10
Great work ethic, keeps morale up and does more work than needed however can delegate work when he does not want to do it.	

Quality of Work	8/10
Efficient and well managed, his work goes above and beyond what is needed however there are times where his work is not as clean as it could be.	

Overall	9/10
He often takes initiative as team leader and keeps work to an effective standard keeping up both morale and a great standard of work.	

Areas of Improvement
To get to meetings a little earlier so that allocated meeting time can be used efficiently the whole way.
