Points to discuss next meeting:

Decisions made: (what, why, impacts)
1.

Miscellaneous details:

Discussion:

1. JDG23 and NDS8 asked how to change git branches in IntelliJ.
    a. Help was provided by MD485
2. MD485 noted that his task of rearranging documentation on GitLab was not fully completed.
    a. This task has been seen as non-critical, and its deadline has been extended until the end of this week.
3. JD556 noted that there are numerous design decisions to make in creating the SQL database, asked for advice on choices.
    a. Decided to ask Peter Rodgers (MD485's academic advisor) for advice on SQLite.
        i. Concluded that SQLite lacks many features present in other versions of SQL, and using a different version of SQL may be desirable.
        ii. Group to consider using the TEXT field-type in SQL for inputs of arbitrary length.

      b. Decided to ask Miles Roman whether username and staffNo are the same field, and whether a user should need to sign off on the latest annual review again if it has been amended.
          i. Email sent, reply received before end of meeting.
      c. Task deadline has been extended to Friday due to these unforeseen circumstances. Additional discussion to be held on Tuesday.
4. Marin requested amendment to Group Policies.
      a. "Nick can't follow me home anymore."
      b. No vote was held.
